## CHERWELL COMPETITION CENTRE UNAFFILIATED LEAGUE

*\*A copy of the League Tables will be on display in the Secretary's Office.*

League Points will be awarded in each height category at all Winter 20 17/18 Unaffiliated Shows

League Points Allocation - A points system will be awarded based on the following system. Points will be awarded to horse/rider combinations placed 8th = or higher on the following scale; 1st 12 points 2nd 9 points 3rd 8 points 4th 7 points 5th 6 points 6th 5 points 7th 4 points 8th 3 points Horse/rider combinations placed equal will share equally the total points attributable to the combined placings (for example, four riders placed 4th equal receive  $7 + 6 + 5 + 4$  divided by 4 = 5.5 points each). In the event of equality of League Points at the end of the series, horse/rider combinations will be separated by giving preference to the horse/rider combination with the greater number of first place classifications; in case there is still a tie the number of second place classifications will count and if necessary the number of third place classifications and so on until the required number of horse/rider combinations are not tied. The overall League winner of each height category will win a trophy and Sash. The combination with the most League points overall, taking into account the highest points achieved across all heights will be declared the Overall Points winner and will be presented with a Saddle Cloth.
